RESORT & SPA
ANGUILLA

You can create the wedding of your dreams at CuisinArt Resort & Spa and slip into the rhythm of the Caribbean life. Anguilla is as serene as it is breathtaking. Your wedding is one of the most treasured moments of your life. We can help you savor every minute of it.

We take care of all the details so that you can be a guest at your own wedding, and truly enjoy the memories you are about to create. From spacious beachfront accommodation to extraordinary cuisine to an award-winning spa, everything is designed to pamper your senses.

CuisinArt offers idyllic settings for your wedding including:

The Wedding Gazebo overlooking the beach – the backdrop to a wedding ceremony in our beach gazebo includes two miles of white sand beach nestled in the gentle crescent curve of Rendezvous Bay. Whether the gazebo is bedecked with flowers or draped with breezy panels of sheer silks or linen, a wedding here is unforgettable.

On the Beach – Consider walking down our aisle of powder-soft white sand. Your background music could be as simple as the hushed tones of the waves caressing the shore. Sunrise or sunset, our beach is yours.

In the Pergola – situated in the center of the Resort, the pergola is a romantic setting for an intimate wedding. The graceful columns of this spacious, private courtyard are decorated by Mother Nature herself, adorned with garlands of lush bougainvillea to bathe your wedding in a harmonious blend of color and fragrance.

We will work with you to make your wedding everything you dreamed it would be. We know all Anguilla's most experienced photographers, florists, and musicians. Local officials are available for most religious beliefs and traditions.

Please note that there are several requirements in order to get married in Anguilla including:

You must be on island at least three working days prior to your wedding (48 hours for processing marriage license). Bride and groom must both be present with valid passports. If married before, original divorce decree papers with the court's seal and stamp are also required.

Whether it's an intimate wedding for the two of you, or a celebration with all your family and friends, CuisinArt will create for you the memory of a lifetime.
